### Safety and Security Information

All leaders should be aware that the campsite is on the bank of the River Wye, that there is a small cliff behind some of the fields of the campsite and there is a gated mine entrance on site. Groups therefore need to be briefed and under suitable supervision. A pre site visit is recommended. Help with risk assessments is available if required. Please read the additional safety information on the Information for Leaders sheet supplied on booking.

### How to Book

1. Bookings can only be accepted on an official form and should be made 14 days in advance.
2. If total fees are £50 or less the FULL amount must be sent on booking.
3. When total fees are more than £50 send a minimum booking fee of £50, or 25% of the total fees, whichever is the greater.
4. The remainder of the fees if less than £25 should be paid on the evening prior to departure. Greater amounts can be invoiced if over £100 in total.
5. It is the group leader's responsibility to supply the site manager with accurate numbers before leaving. Failure to do so will result in your bill being estimated.

### Cancellations

If you cancel we will carry over your deposit if a suitable future date in the same season can be arranged, otherwise your deposit will be forfeit.

Exceptionally for safety reasons FC may need to cancel. In this case your deposit will be refunded in full. You may want to consider taking out cancellation insurance for this possibility.
