## 22 October 2010

### Clarification regarding Change of Claim year Amendments

We understand that there is some confusion regarding change of claim years amendments and that the information provided in Bulletin 28 was not consistent with previous information on this.

To clarify:

#### **10/11 claim years**

The final deadline for any change of claim year to move work out of **10/11** and into future claim years is **31<sup>st</sup> October 2010**. This is the last opportunity to reschedule work from 10/11.

#### **11/12 claim years and beyond**

In response to feedback from the sector we appreciate that agents and owners need to have an opportunity to reschedule operations in future claim years i.e. **11/12 and beyond**. Therefore we have decided to allow an amendment window from **1<sup>st</sup> April 2011 to 30th September 2011** where amendments can be submitted to re-schedule work from 11/12 and any future years that their BWW contract covers. These amendments can be submitted during this period, although processing may not be carried out until after 30<sup>th</sup> September 2011 to enable staff to process the remaining BWW management plan submissions. This will be the last opportunity for rescheduling all future claim years.
