

## What are your views?

*Giving your views will help inform the Newborough Liaison Partnerships recommendations to organisations such as the Forestry Commission Wales, the County Council and the Countryside Council for Wales about the future of the Forest and Warren.*

*For more information about the work of the partnership please see the website <http://www.forestry.gov.uk/forestry/inf-d-62f1n6> or newsletter (available in the PJ Institute library and sent to all local residents and key job holders through the post)*

*If you supply your contact details on the back page, you will receive a report from the consultation, and any future updates. You will also be entered into a prize draw for a wildlife guide (please note your preference on the back page)*

**The more specific you can be, the more your views will help inform the way forward. Your views are sought on what would improve the Newborough Forest and Warren.**

## B: Proposals for increasing community involvement and partnerships

Proposal	Do you agree with this as a way of improving the area?
Use the structures at Pilots Cove for the storage of small boats / canoes - for use as part of organised recreational activity for local young people	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Organise interpretation and education activities to increase understanding of both the forest and the warren and improve the advertising and marketing of access routes and facilities at Newborough	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Have a local training and career development initiative, relating to harvesting, small scale processing of wood, processing and use of local timber and development of ecological and visitor management skills.	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Find ways of informing residents and visitors of site-related topics and activities and ensure they are involved in the management of the forest and warren in future	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?

### B: Further comments on local involvement and partnership proposals?

## C: Increasing local economic benefits

Proposal	Do you agree with this as a way of improving the area?
Investigate ways for local people to supply goods and services – e.g. for warden services, litter collection, forest management, facilities maintenance (e.g. consider passing the management of the Key Fob system to the community as a contract), small, local and appropriate commercial ventures	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Test feasibility of a small scale visitor centre (Beach Café, with or without: Educational facility Information centre, Warden Refuge)	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Explore the potential for arts workshops and eco-tourism	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Consider parking and traffic related measures as a key part of any changes or developments in the area, including how better signing could ensure tourists spend more money/time in the village.	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Open the existing extension to the Church (Beach) road car park immediately	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Raise the limit on the beach car park capacity to prevent congestion, illegal parking, stress and abuse of staff.	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?
Consider how to manage the barrier in the long term both for local income generation and to control vehicle numbers (e.g. raising the key fob fee)	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree <input type="checkbox"/> No or mixed views  Comment?

**C: Further comments on the proposals for increasing local economic benefits?**

**D: Improving landscape, geology and wildlife**

Proposal	Do you agree with this as a way of improving the area?
<p>Create an undulating edge between the dune and forest (but maintain existing access) through gradual, small scale changes</p>	<p><input type="checkbox"/> Agree    <input type="checkbox"/> Disagree    <input type="checkbox"/> No or mixed views</p> <p>Comment?</p>
<p>Any removal of trees on the shoreline should not result in a new linear tree-line and the unique visitor experience currently provided by the access along the road to the residents car park should be maintained</p>	<p><input type="checkbox"/> Agree    <input type="checkbox"/> Disagree    <input type="checkbox"/> No or mixed views</p> <p>Comment?</p>
<p>Shift the focus of the forest landward. In principle, and subject to landowner consent, tree planting on adjacent land could enable the total area of the forest to be maintained while benefiting the warren and improve the linkage between woodlands throughout Anglesey.</p>	<p><input type="checkbox"/> Agree    <input type="checkbox"/> Disagree    <input type="checkbox"/> No or mixed views</p> <p>Comment?</p>
<p>The forest should be managed under 'continuous cover forestry' – this allows 'coupes' (or patches of forest) of up to 5 hectares to be felled.</p>	<p><input type="checkbox"/> Agree    <input type="checkbox"/> Disagree    <input type="checkbox"/> No or mixed views</p> <p>Comment?</p>
<p>Forest glades, which can provide good habitat for wildlife that live at the edges of forests, should not be allowed to regenerate over time - either naturally or through replanting.</p>	<p><input type="checkbox"/> Agree    <input type="checkbox"/> Disagree    <input type="checkbox"/> No or mixed views</p>
