

Glastir Woodland Creation Appeals Process – Red Areas

This should only be used where you feel that there are genuine grounds for challenging the planting restriction and that the designation of 'no planting' has been incorrectly applied. You are unlikely to be successful in an appeal where statutory designations such as SSSIs, Special Areas of Conservation apply.

Landowner Name:

Address:

Grid Ref:

What is the reason/s for the RED designation?

Why do you think that the area has been incorrectly designated?
(Please provide any supporting evidence e.g. Photos, aerial photos)

Please include a map showing the boundary of the area that you wish to plant in the red areas in question
