A group of local fishermen were told that a member of CCW would be at the meeting to discuss CCW policy on allowing tractor access on to the beach.

Unfortunately there was no one from CCW at the meeting to discuss this. So the group were invited to attend the meeting.

The whole group then went through the options tables.

1 Tractor access to the beach for local fishermen.

2 Mountain biking.

3 Wild camping.

4 Car park for fishermen closer to Llanddwyn island

5 Bothy in Newborough.

At the next meeting we will discuss vehicular access to beach to launch boats, orienteering, and any other options that come up in the meantime.

Next meeting - 10th March 2006 between 7.15-900 PM PJ Institute.
