

Agents in South West England

Below is a list of agents qualified to provide services to land owners and land managers to help them comply with Statutory Plant Health Notices issued to control the spread of *Phytophthora ramorum*.

Subject to funding, Forestry Commission will pay the agent for providing their services. The amount the Forestry Commission will pay depends on the level of service provided and is set-out in a contract between each agent and the Forestry Commission (click [here](#) for more information).

Agents wishing to be included on the List should complete the [Pre-Qualification Questionnaire](#).
