

SEESOIL Winter Meeting
Soils and Climate change

10.00am – 4.30pm
2nd December 2008

To be hosted by the National Soil Resources Institute
Venue: Mitchell Hall, Cranfield University, Cranfield, Bedfordshire, MK43 0AL, England

£25 members (includes BSSS members) / £30 non members*
(£5 discount for students) – Includes lunch, refreshments and parking space if needed

The 2008 SEESOIL winter meeting will be hosted by the NSRI at Cranfield University. The meeting will take the broad theme of 'soils and climate change' and will cover climate change impacts on soil functions, carbon and nutrient storage/fluxes and cycling as well as water storage, flooding and erosion, within both agricultural and natural soil-water systems. This may also include climate change mitigation, adaptation, management strategies.

If you would like to give a short presentation or present a poster on this or a related theme or wish to attend please complete the slip below and return to the Secretary. All speakers will be invited to write their presentation/ poster into a paper for publication in the electronic annual SEESOIL journal. The closing date for offers of papers and posters and a one page A4 abstract is November 14th 2008, draft papers should be submitted one week before the meeting (November 25th 2008).

Please pass these details onto non SEESOIL colleagues who may be interested

Dr. Elena Vanguelova, SEESOIL Secretary, Soils Group, Forest Research, Alice Holt Station, Farnham, Surrey, GU10 4LH. Tel: 01420 526174 Email: elena.vanguelova@forestry.gsi.gov.uk
