

BENTLEY

COMMUNITY WOODLAND

Bentley Community Woodland's unique 12 hectare wetland is an important feature of the site, hosting a variety of wildfowl and seasonal migrants. Its mixture of deciduous and coniferous woodland offers colour and variety throughout the year. The 3 miles of trails around the woodland are perfect for horse riding, cycling or just a relaxing stroll.

LOCATION

From Bentley head towards Arksey on Arksey Lane, take the third turning on the left onto The Avenue and follow to the end where you will find the car park.
