

8. Dunnottar

Dùn fhothair - Celtic for the fort on the shelving slope

This was once the Kennedy family's woodland. Now it's a Community Woodland for all families. It's fun to watch the local bodging group turning wood in this traditional craft on a warm summer evening.

The woodland offers glimpses of a bygone age with the Shell House and Lady Kennedy's Bath.

Trail information

These trails are not waymarked but are a similar level to the easy level grade. Allow an hour and a half to complete the outer loop.
