

Explore Shirebrook Wood

A mosaic of woodland, grassland and wetland, Shirebrook Wood offers something for everybody. This reclaimed colliery site provides home to songbirds, small mammals and plenty of butterflies. On a warm summer's day you may even be lucky enough to spot the Dingy Skipper butterfly as you walk around.

Climb towards the top of the site for spectacular views over open countryside and marvel at the natural landscape around you.

Well-maintained surfaced tracks create a good range of circular routes for you to follow. The White Trail is suitable for all and meanders around a variety of woodland plantations. The Blue Trail is more extensive and takes in most of the tracks around site giving a good flavour for all that can be seen.

Directions: Take the A60 north of Mansfield. Turn onto the B6047 toward Shirebrook. The car park is just on the left as you exit Sookholme village. NG19 8LP. SK543669.
