

Car park site numbers

In areas of weak mobile phone coverage or if you don't have a mobile phone, you can pay when you return home by ringing 0844 844 9997. After midnight of the day of your visit, payments cannot be made by text but they can still be made by calling 01604 625 625. You will need the site number of the car park you used before you call.
