Forest Enterprise East of England Regional Strategic Plan

To protect and enhance the overall biodiversity and heritage value of the estate at both the landscape and local levels.

**District's Action Plans**

OBJECTIVES	SHORT	MEDIUM	LONG	TARGETS / SUCCESS MEASURES	RWS OBJECTIVES	INTERNAL PARTNERS	EXTERNAL PARTNERS
<b>En 1) To develop landscape scale projects</b>	<b>En 1.1) To develop landscape scale projects.</b>						
	En 1.1.i) Continue to develop the Breckland Heathland re-creation project			Sustainable management secured with partners	NE3b	O, ART, Forest Research	EN, NWT, Defra, BCP, Private sector graziers
	En 1.1.ii.a) Integrate Dunwich Forest into the Blyth to Alde Partnership land holdings.	En 1.1.ii.b) Develop and implement extensive grazing management system		Integrated management of Dunwich Forest with surrounding areas	NE3b	O, P, ART, E	EN, SWT, RSPB, NT, SC&H Project, LAs
		En 1.1.iii) Develop the Green Arc Project		Biodiversity issues included in the Green Arc agenda	NE3b	G	Green Arc & their partners
	En 1.1.iv) Explore potential for extensive grazing projects to develop forest for biodiversity, amenity and landscape.			Pilot area selected by 2007	NE3b	O, P, E,	EN, EA, Wildlife Trusts, RSPB, Crown Estates, LAs, IWWA, BCP, ZSL
<b>En 2) To ensure EAFD's conservation and heritage obligations are met (statutory and voluntary designations) at a district wide level and on an individual site basis</b>	<b>En 2.1) Maintain the District Conservation Plan.</b>			Approved plan available on quinquennial basis.	NE3d, NE3e, NE4a, NE4d	O, P, ART, E	EN, LAs, Wildlife Trusts, RSPB, EH, CWG, BCP, Local and national experts.
	En 2.1.i) Consultation with partners including, Environment Panels, Conservation Working Groups, Archaeology Panel etc.			Approved plan available on quinquennial basis.	NE3d, NE3e, NE4a, NE4b, NE4c, NE4d	P, ART	EN, LAs, Wildlife Trusts, RSPB, EH, CWG, Local and national experts.
	<b>En 2.2) To manage and monitor SACs, SPAs and SSSIs.</b>						
	En 2.2.i.a) Maintain and implement management plans for all sites	En 2.2.i.b) Working in response to current and any future changes in designations and re-prioritising as necessary as/when designations change		To maintain a viable population of the habitats and species for which the SPA/SACs were designated.	NE3d, NE3e, NE4a, NE4d	O, P, ART, E, Forest Research	EN, LAs, Wildlife Trusts, RSPB, UEA, Local and national experts.
				To achieve PSA target of 95% 'Favourable' or 'Unfavourable recovering' status on SSSIs by 2010.	NE3d, NE3e, NE4a, NE4d	O, P, ART, E	EN, LAs, Wildlife Trusts, RSPB, Local and national experts.
				Maintain 100% management plan coverage on a quinquennial revision cycle.	NE3d, NE3e, NE4a, NE4d, QL3a	P	EN, LAs, Wildlife Trusts, RSPB, Local and national experts.
	<b>En 2.3) To manage and monitor Forest Nature Reserves, County Wildlife Sites and other sites of high wildlife interest.</b>						
	En 2.3.i.a) Agree and implement management plan and objectives for FNRs	En 2.3.i.b) Monitor and review		Agreed management plans by end of 2007	NE3a, NE3b, NE3c, NE3d, NE4a, NE4d, QL3a, NE3a	O, P, ART, E	EN, EA, CWG, Wildlife Trusts, Defra, Private graziers
	En 2.3.ii.a) Manage CWS to maintain and enhance their biodiversity.	En 2.3.ii.b) Working in response to current and any future changes in designations and re-prioritising as necessary as/when designations change		Biodiversity on sites maintained to agreed plan	NE3a, NE3b, QL3a	O, P, ART, E	EN, LAs, Wildlife Trusts, BCP, Local and national experts.
	En 2.3.iii.a) Agree and implement plans for restoration of PAWS in N.Norfolk and Lavenham beats	En 2.3.iii.b) Monitor and review		Agreed deconiferisation of Lavenham complete by 2020. Management plans for N.Norfolk sites commenced by 2007	NE3a, NE3b, NE3c, NE3d, NE3e, QL3a	O, P, ART, E	EN, LAs, Wildlife Trusts, BCP, Local and national experts.
En 2.3.iv) To maintain and enhance habitats and species in accordance with the relevant HAPs, SAPs and other locally important habitats and species.			Species and habitats maintained to agreed plans	QL3a, NE3a/b	O, P, ART, E	EN, LAs, Wildlife Trusts, RSPB, EH, UEA, Local and national experts, LBRCs BCT.	
<b>En 2.4) Management and monitoring of the historic environment.</b>							
En 2.4.i.a) Maintain and implement plans for all Scheduled Ancient Monuments.	En 2.4.i.b) Monitor and review plans for all Scheduled Ancient Monuments.		Maintain 100% management plan coverage on a quinquennial revision cycle.	NE3d, NE4d	O, P, ART, E	EH, LAs, CCs	
En 2.4.ii.a) Protect and enhance the other historic environments	En 2.4.ii.b) Monitor and review the other historic environments		Managed heritage sites	NE3d, NE4d	O, P, ART, E	EH, LAs, CCs
