

# Jeskyns welcomes responsible dog owners!

As a nation of dog lovers, it is no surprise that Jeskyns regularly attracts hundreds of local dogs and their owners.

Dogs are extraordinary animals and are a source of fun, companionship and security for millions of people.

However, it only takes a few irresponsible people to give all dogs and their owners a bad reputation.

Make sure you are not one those by following the **Jeskyns Dog Code**. This will ensure Jeskyns remains a great place for everybody to enjoy.

# Jeskyns Dog Code.

- Always keep your dog in sight and under control; use a lead if need be.
- Always bag and bin your dog's waste.
- Never let your dog chase wildlife or farm animals; it causes serious injuries and your dog could become lost, hit by a car or shot.
- Respect requests and notices to keep your dog on the path or away from some areas; this helps protect young animals and birds at sensitive times.
- Worm your dog regularly and keep its vaccinations up-to-date.
- Ensure your dog always wears a collar with your name, address and mobile phone number.
- Keep your dog at you side when passing other visitors; always ask before letting your pet approach other dogs.
