## **INTRODUCTION**

### **LOCATION AND STATUS**

Barry Sidings Country Park is located off the A4058 between Trehafod and Hopkinstown near Pontypridd. The site itself is in close vicinity to Rhondda Heritage Park and is adjacent to Gelli Wion Forest (managed by Forest Enterprise), Little Friends Farm and the Rhondda River. The site itself is managed by Rhondda Cynon Taff County Borough Council.

### **DESCRIPTION**

**Barry Sidings** is a Country Park managed by Rhondda Cynon Taff County Borough Council. It is a fully staffed and managed site with a car park, adventure playground, ponds, picnic tables and barbecue areas. The Centre itself contains a café and toilet facilities.

**Gelliwion Forest**, managed by Forest Enterprise, is 202 ha of woodland habitat including larch, pine and mixed conifer blocks, which are in the process of being thinned. It contains the old circular forest walk (a path which is in the process of being established), streams, ponds, public rights of way, a bridle way and the forest road system.

### **PROPOSALS**

The Visitor survey was carried out in August and September 2001 by Forest Enterprise in partnership with Rhondda Cynon Taff County Borough Council. The aims of the survey are:

- To gauge the usage of Barry Sidings and Gelliwion as a recreational area
- To gauge satisfaction levels amongst visitors for the facilities available at Barry Sidings visitor centre and Gelliwion forest.

The survey results will be used to gauge opportunities to further develop Barry Sidings Centre and Gelliwion forest together as a resource for recreation and education in Rhondda Cynon Taff.

**Ryan McCluskey, Coed y Cymoedd Forest District**

## SUMMARY

This report provides results from a visitor survey that took place in Coed y Cymoedd Forest District at the Barry Sidings Country Park and Gelliwion Forest. A total of 156 questionnaires were completed.

Almost one third of the groups (29 %) consisted of two people, There was an average of 2.9 people per group. The majority of groups included adults aged between 25-59 years, 28 % included senior citizens, 14 % included young adults aged 16-24 years, and 61 % of groups included children. 22 % of all groups had dogs with them, and no groups had bicycles with them.

97 % of the respondents were locals. The few holidaymakers had stayed with friends and relatives or in B&Bs.

85 % of respondents had travelled 5 miles or less to the site, and 14 % had travelled between 6 and 15 miles.

68 % of respondents had travelled by car or van to get to the woodland, and 26 % had walked.

90 % of respondents had visited Barry Sidings Country Park before. Of those who had visited the woodland before, half visit at least once per week. A further 28 % visit 1-3 times per month. The average length of stay was 1.6 hours.

Over half of the visitors (55 %) had always known about the site, and a further 29 % had found out from friends or relatives.

Most people came to walk (31 %), or walk their dogs (13 %). Others visited the site for fresh air and exercise (22 %) or to relax and have a picnic (18 %).

Of the 49 % of groups who had used the visitor centre, 68 % of those who expressed an opinion rated the Café as good or very good, and 63 % rated the Information as good or very good.

The picnic area and toilets were rated as good or very good, as was the management of the Country Park. Information boards and the car park were rated as good or OK. Road signs were generally rated poor or very poor.

Only 26 % of those interviewed had visited the Gelliwion Forest that day. Of the respondents who had visited, 44 % came at least once per week. Woodland management was rated good or very good.

10 % of the respondents said that at least one of their party had a special need.

## BARRY SIDINGS/ GELLIWION VISITOR SURVEY 2001

The Barry Sidings/ Gelliwion Visitor Survey took place in August and September 2001 in Coed y Cymoedd Forest District.

### Group Composition

There were a total of 471 visitors in the 156 groups interviewed. There was an equal split of male and female visitors (49 % of all visitors were male).

Almost one third of the groups (29 %) included 2 people, and around one in five (22 %) consisted of 3 people. A further 17 % were lone visitors with the remainder of the groups containing more than 3 people. Excluding groups of 10 or more, there were on average 2.9 people per group (Figure 1).

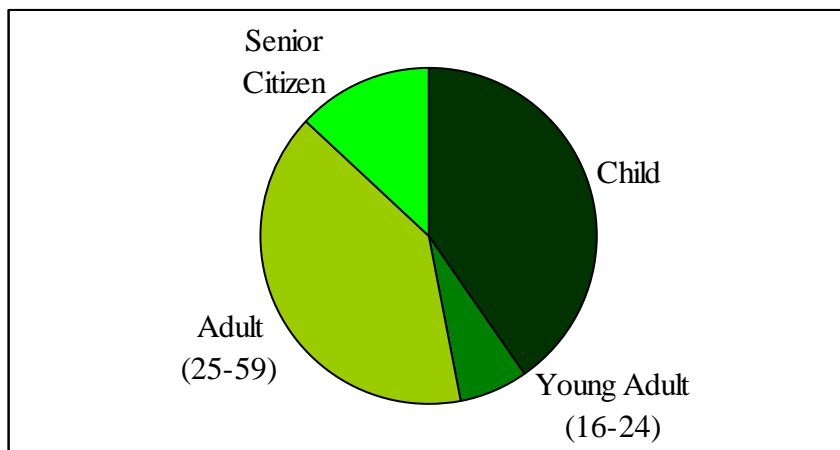

**Figure 1: Size of groups visiting Barry Sidings**

The majority of groups visiting the site contained adults aged between 25-59 years, and 61 % of groups had children with them. 28 % of groups included senior citizens and 14 % included young adults.

In terms of total visitors, adults aged between 25-59 years accounted for 40 % of all visitors, and 40 % were children. A further 13 % were senior citizens and only 7 % were young adults (Figure 2).

**Figure 2: Age of visitors to Barry Sidings**

**Groups with children**

A large number of groups (61 %) had children with them. Most of these groups with children were accompanied by one adult (39 %) or two adults (41 %).

The remaining 39 % of groups were without children. Of these groups without children, almost half (48 %) consisted of two adults, and a further 43 % were lone visitors.

**Figure 3. The number of adults in each group with and without children**

**Groups with dogs and bicycles**

More than one in five groups visiting Barry Sidings had dogs with them (22 %). However there were no groups interviewed who were on or with bikes.

## Visitor Origin

Table 1 shows the origin of visitors, based on the home postcodes and town/ country names supplied. Almost all visitors were from Wales, with only one visitor from England.

**Table 1. Origin of visitors to Barry Sidings**

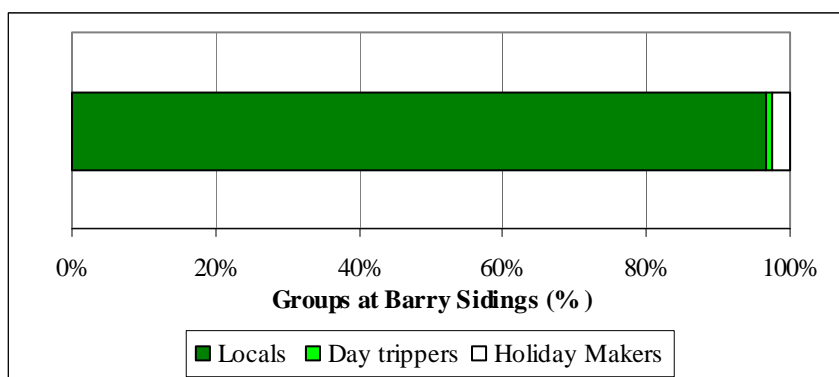

Region	Number of respondents
Mid Glamorgan	141
South Glamorgan	2
Gwent	2
Shropshire	1
<b>All respondents</b>	<b>100% (=146)</b>

The map on the following page shows the origin of visitors to Barry Sidings/ Gelliwion who gave a valid postcode.

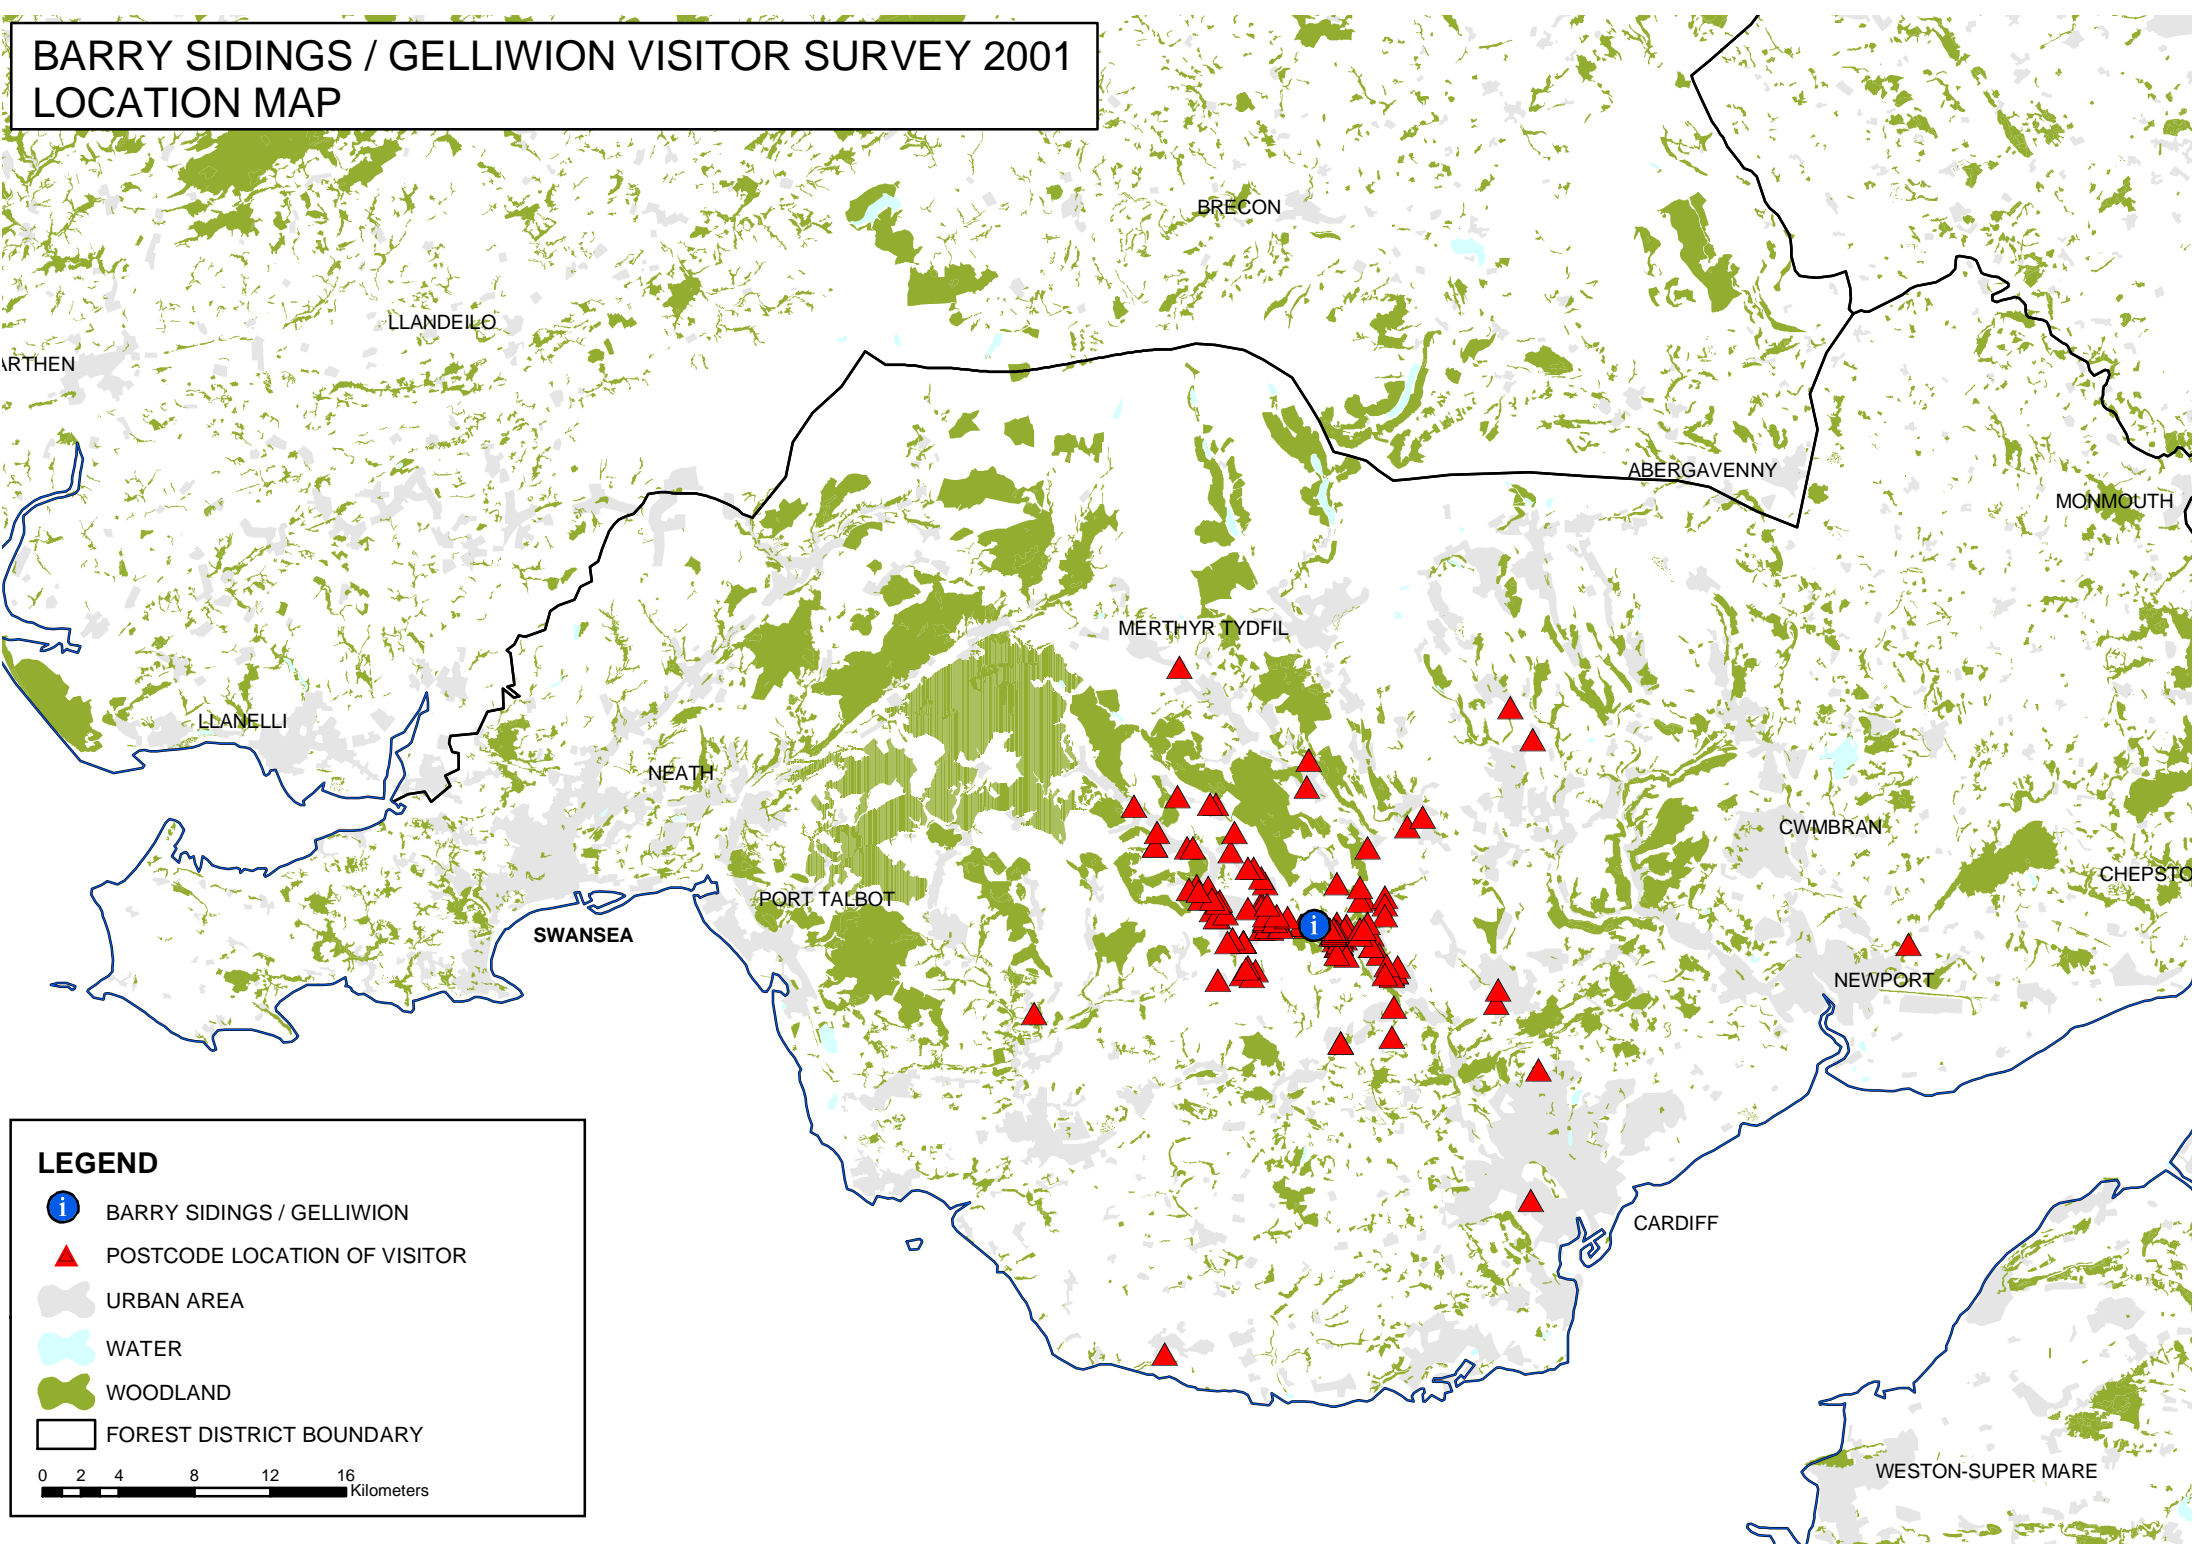

## Type of Visitor

Almost all visitors (97 %) lived locally (within 15 miles of the site). The remaining visitors were holiday makers or day-trippers (Figure 4). The four groups who were holiday makers had either stayed with friends and relatives, or in a Bed and Breakfast.

**Figure 4. The type of visitor at Barry Sidings**

-  FOREST DISTRICT BOUNDARY

## Travel to the Forest Site

As stated above, almost all the visitors to Barry Sidings were locals to the area. 85 % of visitors had travelled up to 5 miles to the site, and a further 14 % had travelled between 6 and 15 miles. The remaining 1 % had travelled further than 15 miles. Figure 5 shows how the groups travelled to the site. Whilst there were 68 % of visitors who had used a car or van to get to the site, over a quarter of the local visitors (26 %) had walked, a further 3 % had cycled and 3 % had used public transport.

**Figure 5: Method of transport to Barry Sidings**

## Previous Visits

Since the visitors to Barry Sidings are predominantly locals, a high proportion of them had visited the site on a previous occasion (90 %). The site also receives many frequent visitors, with almost a quarter of those who have been before (23 %) visiting most days, just over a quarter (27 %) visiting 1-3 times per week, and 28 % visiting 1-3 times per month (Figure 6).

**Figure 6: Frequency of visits to Barry Sidings**

## **Length of Stay**

The average length of stay of groups at Barry Sidings was 1.6 hours. 19 % of groups said that they stayed around half an hour, 28 % stayed for around an hour, and 31 % stayed for around 2 hours. A further 22 % said that they stayed for 3 or 4 hours or more.

## **Finding out about the site**

Over half of the groups (55 %), being predominantly locals, said that they had always known about Barry Sidings. A further 29 % had found out about the site from friends or relatives. Others had simply seen it in passing, or heard about it from Little Friends Farm.

## **Main purpose of visit**

The main reason for visiting Barry Sidings was to walk (31 %), with a further 13 % of visitors coming to walk dogs. Other groups tended to visit for fresh air and exercise (22 %) or to relax and have a picnic (18 %).

## **The Visitor Centre**

Around half (49 %) of the groups interviewed said that they had been in the visitor centre on that day. Of the visitors who had been in the visitor centre, almost two-thirds (61 %) had been there up to five times previously, whereas one third said that they had been to the visitor centre more than 10 times (34 %).

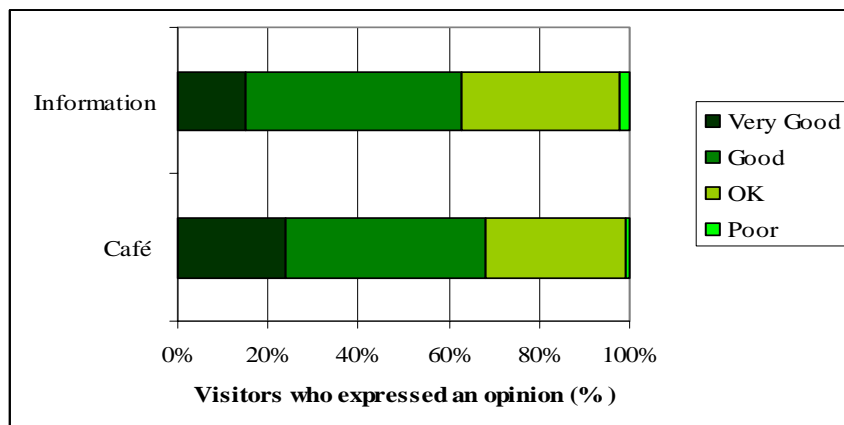

Of the 51 % of visitors who had not been to the visitor centre on that day, only 4 % said that they were going later. Three quarters of those who had not been in the visitor centre gave a reason other than those suggested on the questionnaire, 13 % said that they didn't have time, and 5 % said that they had been before.

## **Ratings of Visitor Centre facilities**

The results below present the ratings for each facility in terms of the proportion of visitors who expressed an opinion (i.e. the proportion who had used each facility and provided a rating for it).

Groups who had been in the visitor centre were asked to rate the Café and Information facilities if they had used them. Of those who had been in the visitor centre, 95 % gave a rating for the Café, and 62 % rated the Information available. Figure 7 shows that Around two-thirds of those who expressed an opinion rated the Café (68 %) and the Information (63 %) as good or very good. Only 2 % (Information) and 1 % (Café) rated the facilities as poor.

**Figure 7. Ratings of the Visitor Centre facilities at Barry Sidings**

**Ratings of facilities at Barry Sidings**

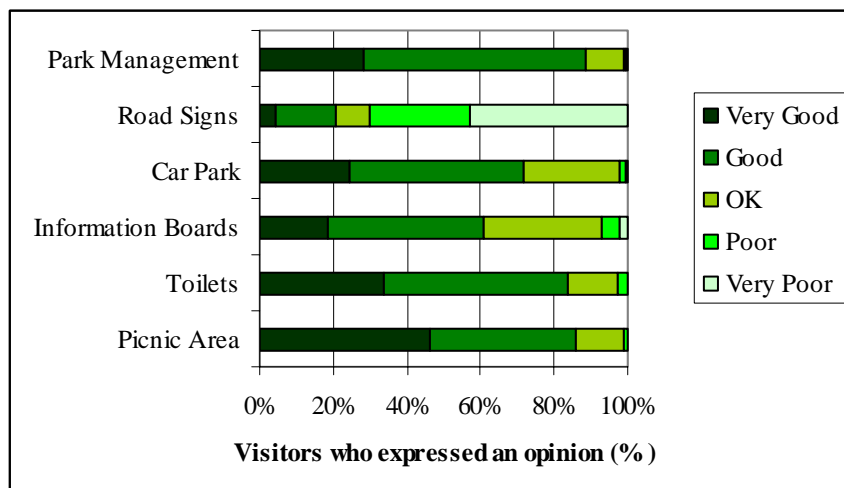

All visitors were asked to rate the other facilities they had used during their visit to the Country Park. 95 % of visitors gave an opinion regarding the picnic area, 72 % the toilets, 65 % the information boards, 88 % the car park, 83 % the road signs, and 95 % park management.

The Picnic area (86 %) and toilets (84 %) were generally rated good or very good, whereas the Information Boards (74 %) and Car Park (73 %) were rated good or OK (Figure 8). However the Road Signs were rated as poor or very poor by 70 % of those who gave an opinion.

Visitors were also asked to rate the management of the park in general. 88 % of those who expressed an opinion thought that the park management was good or very good.

Apart from the Road Signs very few facilities were rated poor or very poor. This rating was only given by 7 % of those who gave an opinion for Information Boards, 3 % for toilets, 2 % for the car park 1 % for the picnic area and 1 % for park management.

**Figure 8. Ratings of other facilities at Barry Sidings**

## **Improvements to Barry Sidings Countryside Park**

Visitors were asked what one thing could be improved in the Countryside Park. 68 % of the groups suggested something new or something that could be improved, the most common of which are listed here. 12 % of those who made a suggestion would like to see a small swimming pool for children. 11 % suggested that there should be more playground facilities, especially for older children. Some of them would also like the 'half pipe' to be returned. 10 % expressed concerns about the safety and cleanliness of the ponds, some suggesting that they should be fenced off. Other suggestions were as follows; improve road signs (8 %), improve path signs (8 %), provide more bins for dog mess/ improve dog fowling (7 %). Other suggestions were for improved or greater number of existing facilities.

## **Visits to Gelliwion Forest**

Only just over a quarter (26 %) of visitors to Barry Sidings had been into the Gelliwion Forest during their stay. Of those who had visited the forest, most visited fairly frequently. 44 % visited the forest more than once per week, with a further 15 % visiting 1-3 times per month, and the remaining 41 % visiting less often. Visitors to Gelliwion forest generally rated the woodland management as good or very good (80 %), with only 5 % rating it poor.

Of the 74 % of visitors who didn't visit the forest, 60 % said they didn't visit the forest for a reason other than was suggested on the questionnaire. These reasons included the difficulties of access for prams, pushchairs and wheelchairs, a lack of interest or ability in walking far, and the weather. 29 % said they didn't have time, 5 % said they didn't know about it, and 5 % said they'd been before.

## **Improvements to Gelliwion Forest**

83 % of the groups who had visited the forest suggested something that could be improved. 12 groups suggested improvements to the paths, 5 improvements to the signs, 5 improvements to, or increased numbers of seats. Other suggestions were to improve the cycle tracks and the top car park, and to remove the burnt out cars and not to allow motorbikes into the woodland.

## **Special needs**

10 % of the groups at Barry Sidings stated that one of their party had a special need. The majority of these were problems with mobility, with a few people having a special hearing need.

QUESTIONNAIRE**

Batch

Form

Hello; I am carrying out a survey for Forest Enterprise, part of the Forestry Commission and Rhondda Cynon Taff County Borough Council. Can you please spare a few minutes to answer some questions?

**1. Have you travelled from home today?**

- Circle One*
- Yes      **1**      *Skip to Q2*  
 No              **2**      *Ask Q1a*

**5. How long in total are you staying at this site today?**

hours	mins

**1a. What type of accommodation did you stay in last night?**

- Circle one*
- Bed & Breakfast/ Guest House      **1**  
 Hotel    **2**  
 Camping/ Caravan                              **3**  
 With friends/ relatives                        **4**  
 Youth Hostel                                      **5**  
 Self Catering                                      **6**  
 Other    **7**

**6. How did you first find out about this site?**

*(if answer 4 - 8 ask Q6a, all others skip to Q7)*

- Circle One*
- Always known                                      **1**  
 Friend/ relation                                      **2**  
 Road signs    **3**  
 Local Authority leaflet                              **4**  
 Other leaflet    **5**  
 Local guide book or map                              **6**  
 Exhibitions/ displays                              **7**  
 Newspaper/ TV/ Radio                              **8**  
 Other    **9**

**2. How far have you travelled to get here today?**

- Circle one*
- Up to 5 miles                                      **1**  
 6 - 15 miles    **2**  
 16 - 25 miles    **3**  
 26 - 50 miles    **4**  
 Over 50 miles    **5**

*Please specify* \_\_\_\_\_

**3. What was the main type of transport you used to get here today? (The one used for the longest distance)**

- Circle one*
- Car/ van    **1**  
 Minibus/ coach                                      **2**  
 Public transport                                      **3**  
 Bicycle    **4**  
 On foot    **5**  
 Other    **6**

**6a. Can you say where you saw it? (i.e. where picked up leaflet, which guide book/ map or exhibition, which TV/ Radio programme or newspaper)**

**4. Have you been here before?**

- Circle One*
- Yes      **1**      *Ask Q4a*  
 No              **2**      *Skip to Q5*

**4a. How often do you come here?**

- Circle one*
- Most days    **1**  
 1 - 3 times a week                                      **2**  
 1 - 3 times a month                                      **3**  
 1 - 3 times a year                                      **4**  
 Less often    **5**

**7. What is the main purpose of your visit today?**

- Circle one*
- Dog walking    **1**  
 Other walking    **2**  
 Cycling    **3**  
 Fresh air/ exercise                                      **4**  
 Watch wildlife/ birds                                      **5**  
 Relax/ picnic    **6**  
 Visitor Centre    **7**
