

# LRAC 2013 - 14 - Draft FC London workplan for 2014/15

National B Plan work programmes

London activities contributing to the national programme

1 High priority for 1415

2 Priority - statutory/obligation

Jim

Andrew Hoppit

Andy Glover

Craig

Notes: (1) There are a range of other minor activities (not included in this diagram) that either contribute to the national programme or are important in terms of work development for future projects/partnerships to deliver corporate priorities. (2) Other FC resources also contribute to London activity including the rest of the SE&L team, FC England National Office and Forest Research.
