

## Learning outcomes

We would also like to know what your group learned as a result of their visit.

1. Has the group's knowledge and understanding of trees, woods and forests increased? Y  N
2. Has the students' knowledge of the subject they came to study increased? Y  N   
If yes, can you provide any examples?  
.....  
.....
3. Have your learners shown evidence of enjoyment and inspiration that might lead to them initiating further study or encourage them to visit forests again? Y  N
4. Do you think the visit has increased your learners' skills (practical or academic) in any way e.g. working with others, using tools, data recording, data analysis? Y  N   
If yes, can you provide any examples?  
.....  
.....
5. Do you think the programme has changed your learners' attitudes or values towards trees and the environment? Y  N   
If yes, do you think this will lead to any modification of behaviour with regard to trees and the environment? Y  N
6. What plans do you have for follow up?
