Forestry Commission Scotland  
Perth and Argyll Conservancy  
ALGO Business Centre  
Glenearn Road  
PERTH  
PH2 0NJ

Tel. 01738 442 830

There will be no charge for this event.

This event will provide key stakeholders with an update on the status of the *chalara fraxinea* (Ash Dieback) disease in Scotland and your local area, how the disease is being monitored, and highlight guidance on how to identify/manage diseased woodland.

This is one of three events to be held across Scotland in March.

**Programme:**

- 14.00 Coffee
- 14.30 Intro & Welcome (Syd House, Conservator, Perth and Argyll Conservancy)
- 14.35 Update on Chalara ash dieback and the regional context (Hugh Clayden, Tree Health Policy Advisor, FCS)
- 15.00 Overview of research on Chalara ash dieback (Dr Steven Hendry, Forest Research)
- 15.25 The Strategy for dealing with Chalara ash dieback (Hugh Clayden)
- 16.00 Open discussion
- 16.30 Summing up and depart

**I wish to attend the Ash Dieback Update event on Tuesday 26th March at:**

Stirling Management Centre, University of Stirling, Stirling, FK9 4LA
