**KIELDER WATER & FOREST PARK,**  
**A JOURNEY OF DISCOVERY.**

Your Kielder Water & Forest Park experience starts sooner than you think with a journey that takes in spectacular scenery and unique attractions however you choose to travel.

Make time to stop off at Bellingham, a picturesque market town on the edge of the Northumberland National Park and home to The Heritage Centre and Bellingham Tourist Information Centre. The Heritage Centre houses exhibitions on the Reivers, local agricultural history and genealogical archives and is open every day in summer with reduced opening times during the winter.

Break your journey with a wholesome lunch and a well deserved drink at one of many traditional pubs or quaint cafes in the historic villages along the route. Explore the wonderful charm of the North Tyne Valley with its winding rivers, woodlands and wild moors.
