Title: Deep Peat Soils Working Group.

Other titles: Adviser to FES for a day of Indoor and Field visits in Galloway Forest District to trial using the partnership body, Scotland's Moorland Forum, as a habitats management advisor.

Author: Anderson, R.
Company: Forest Research
Imprint: 2013
Main subject: HABITATS
Subjects: FCRA CONTRIBUTORS; 2014-FR-CAT-14
Abstract: 7th June 2013 - first meeting this financial year and 30th Sept 2013, our next meeting with forest managers. Other FR staff involved are Bill Rayner, Andy Kennedy and Elena Vanguelova (before she went on maternity leave). Our work contributed to guidance for practitioners, which was presented to the FESMB in Dec 2012. The continuing work this FY has involved field-testing and reviewing the methodology for application on the NFE and helping Julia Garritt of FCS's policy team with the final push on policy and guidance for the whole forest sector.
