

## Education Ranger Wanted

Do you want to make a difference to young people? We are looking for experienced outdoor educators to help run our schools programme at Delamere Forest.

Delamere is Cheshire's largest area of woodland and provides a wealth of opportunities for learning outside the classroom- from minibeast hunting to shelter building.

We need experienced people to help bring the forest to life for children and students of all ages. You will work on a contract basis during our busy spring and summer season to deliver our exciting programmes.

A teaching qualification and/or relevant experience of learning outside the classroom in an environment setting would be an advantage.

Pay: £14.30 per hour

The position as Education Ranger will involve working with children and is therefore exempt from the rehabilitation of offenders act 1974 and necessitates an enhanced CRB check.
