

# Release Arrangements

## Introduction

1. This paper provides details of the release arrangements for the Forestry Commission's National Statistics publications. For each release, the following information is provided:
  - Name of release
  - Type of release
  - Frequency of release
  - Expected month of release
  - Day of release
  - Time of release
  - Availability of paper copies
  - Contacts
2. For details on recent and forthcoming release dates, visit our recent and forthcoming publications page on the Forestry Commission website.
3. All of the Forestry Commission's National Statistics releases are available on the Forestry Commission website ([www.forestry.gov.uk/statistics](http://www.forestry.gov.uk/statistics)) free of charge. Paper copies are available either from Economics and Statistics in the Forestry Commission or from Forestry Commission publications at the addresses shown below:
