# Create YOUR elf outfit

## forest fairy tales

**1**  
Collect items from the forest floor to create an amazing elf outfit. Look for things that are small and delicate.

**2**  
Don't forget to find a matching pair of petals, leaves or feathers for your elf wings!

**3**  
Use double sided tape to stick the things that you have found onto your picture.

**4**  
Can you find a dandelion, buttercup or daisy? Rub them onto your sheet to colour the elf's hair. Just like magic it will turn your elf's hair golden!
