

Friston Forest MTB discussion Breakdown of interest group representation

These charts provide an overview of the discussion held on the future of mountain biking in Friston Forest. For more details please visit

www.forestry.gov.uk/fristonforest

This chart is for illustrative purposes only and is intended to provide an indication of the range of interest groups represented during the discussion. To create this information we used 'tags' on the Dialogue App to broadly designate the idea as being supportive of a distinct activity. We were then able to export this data and create the chart within a spreadsheet.

The chart aims to provide a simple overview of the ideas generated by groups involved i.e. 31% of the ideas posted related to ideas suggesting that groups could work together to find the best way forward.

Friston Forest MTB Discussion Breakdown of ideas discussed

This chart is for illustrative purposes only and is intended to provide an indication of the range of topics discussed. To create this information we used 'tags' on the Dialogue App to broadly classify the ideas into similar topic areas. We were then able to export this data and create the chart within a spreadsheet.

The chart aims to provide a simple overview of ideas discussed IE 14% of the ideas posted related to concerns contributors had about safety.
