How to make your party flag

You will need...

- 1 A sheet of card.
- 2 Colouring pens or crayons.
- 3 A slim stick!

To make it...

- 1 Colour in your flag, using colouring pens or crayons.
- 2 Stick your flag to a sheet of card.
- 3 Cut your flag out, not forgetting the stick holes (you might need an adult to help you with this bit).
- 4 Finally get your stick and weave it through the holes.
