Dogs in the forest

Thetford Forest is a great place for dogs
and their owners. Your four legged
friends are more than welcome, all we
ask is for owners to be responsible and
to keep their dogs under control.
Please do not allow your dog to
foul in the main forest
centre or play and
picnic areas. Always
dispose of dog waste
in the bins provided.

Trails correct at time of print. However, due to some
forest operations and unforeseen changes, trails may
be rerouted over time, or closed at short notice, but
will always be correctly waymarked on the ground for
visitors to follow.
