

Conferences IUFRO 2012 Call for abstracts

Call for Abstracts

The call for abstracts is now open.

Oral and poster abstracts are now invited and should be submitted using the form provided below.

The abstract deadline for oral and poster submissions is: **15th April 2012**.

- We invite you to submit abstracts for oral and poster presentations.
- Abstracts should present current research relevant to themes of this conference.
- Abstracts should be submitted using the form provided below, and emailed to IUFROEdinburgh2012@forestry.gsi.gov.uk before 15th April 2012.
- Abstracts should be a maximum of 300 words and clearly state rationale, methods, key findings and conclusions or management recommendations. A concise title and author's affiliation, as well as contact details of the primary author must also be provided.
- Please state when submitting your abstract if you are a student.
- Oral presentations will be a maximum of 15 minutes plus 3 minutes of questions.
- Poster size will be A0.
- Funding for conference attendance and all related activities is the responsibility of attendees.

DELIVERED IN PARTNERSHIP WITH:

**IUFRO 2012: MANAGING FORESTS FOR ECOSYSTEMS SERVICES
