

Notice of the landing of stone and iron material originating in China required by EU Commission Implementing Decision (EU) 2015/474

Your local Forestry Commission contact is:.....

Tel/Fax No:.....Mobile No :.....

Important Notes: All sections of this form must be completed by the Agent or Importer. Completed Inspection Request forms must be received by inspectors as soon as the importer knows that the consignment has been held by Customs. QRC Clearance notice only issued if requested. There is currently no FC Plant Health Inspection charges for this operation. Copies of these forms will be used by the Forestry Commission to support quarantine release. A copy of this document **must** be sent to plant.health@forestry.gsi.gov.uk to ensure release from our computer system hold. Non compliance with this procedure will result in entries being unnecessarily held at importers/agents expense.
