

This area is already planted, but will be included in the contract for ongoing establishment operations.

This western area will be pre-plant sprayed in Sept '11 (weather permitting).

THIS CONTRACT IS FOR THE PLANTING OF CONIFER TREES AT 2700 STEMS PER HECTARE (NO SHELTER OR FENCING REQUIRED).
 THE TOTAL AREA OF THIS LOT IS 6.3 HECTARES.

Planting boundaries along roads and rides will be marked with coloured canes.
