

Digital photography workshops at Delamere

Would you like to get more out of your photography? Cream Photo Workshops are holding a series of One Day Photo Workshops at Delamere Forest. The Workshops are easy to understand with lots of hands on practical work and are fun to do. The Level One Workshop is for beginners to Digital Photography and the Level 2 Workshop is for those who would like to get off the Auto Mode and be more creative with their camera.

Each One Day Workshop costs £65 per person or £50 per person for 2 or more booked in for the same workshop. Workshop times 10 am till 4 pm. Dates for Workshops are published on Cream Photo Workshop's website at <http://www.creamphotoworkshops.com/> or telephone 0844 414 5404 for more details.

Join the Ramblers Association for health walks at Delamere

Delamere Forest is working with [The Ramblers Association](#) for the North and Cheshire Area to promote health walks in the forest. Our first event will be a Wildlife and Dragonfly Walk on 31st May at 10.30am. The walk will be 5-7miles. No booking necessary, just turn up at Linmere Visitor Centre on the day. Please bring a packed lunch.

One day beginners' water colour courses

Don Wilson, who works in the information centre is also an artist, he will be delivering water colour courses here in Delamere Forest classroom. The course is aimed at complete beginners and by the end of the day, you will be taking home your very first painting, places are limited to just 7. The course is £35, inclusive of all materials. Please bring your own lunch or there is a cafe next door. To reserve a place on the 2nd April, 14th May, 3rd September or 12th November or for further information please contact the Information Centre <mailto:delamere@forestry.gsi.gov.uk> or on 01606 889792
