●	1	1	Q1. From this list, can you please tell me which of these topics you have seen/ read anything about in the last 12 months?	Base: All respondents	1010
●	5	2	Q2. From this list, please tell me which of the following reasons are good reasons to support forestry in this way?	Base: All respondents	1010
●	7	3	Q3. Agree/ disagree - [Trees are good because they remove carbon dioxide from the atmosphere and store it in wood]	Base: All respondents	1010
●	9	4	Q3. Agree/ disagree - [Cutting down forests and woodland for timber always makes climate change worse, even if they are replanted]	Base: All respondents	1010
●	11	5	Q3. Agree/ disagree - [Using wood for fuel is better for climate change than using fuels such as coal and gas]	Base: All respondents	1010
●	13	6	Q3. Agree/ disagree - [Using wood for fuel makes climate change worse because it releases carbon dioxide]	Base: All respondents	1010
●	15	7	Q3. Agree/ disagree - [Using wood for building is better for climate change than using materials such as concrete, steel and plastics]	Base: All respondents	1010
●	17	8	Q3. Agree/ disagree - [Scotland could offset all its greenhouse gas emissions by planting more trees]	Base: All respondents	1010
●	19	9	Q3. Agree/ disagree - [Planting more trees can help us cope with climate change by providing shade and reducing the effects of flooding]	Base: All respondents	1010
●	21	10	Q3. Agree/ disagree - [Agree Summary Table]	Base: All respondents	1010
●	23	11	Q3. Agree/ disagree - [Disagree Summary Table]	Base: All respondents	1010

	Page	Table	Title	Base Description	Base
●	25	12	Q3. Agree/ disagree - [Mean Summary Table]	Base: All respondents	1010
●	27	13	Q4. Agree/ disagree - [There is nothing that anyone could do that would make any difference]	Base: All respondents	1010
●	29	14	Q4. Agree/ disagree - [No action is needed; let nature take its course]	Base: All respondents	1010
●	31	15	Q4. Agree/ disagree - [A lot more trees should be planted]	Base: All respondents	1010
●	33	16	Q4. Agree/ disagree - [Different types of trees should be planted that will be more suited to future climates]	Base: All respondents	1010
●	35	17	Q4. Agree/ disagree - [More information should be provided about the ways in which wood can be used to lessen our impact on the environment]	Base: All respondents	1010
●	37	18	Q4. Agree/ disagree - [Agree Summary Table]	Base: All respondents	1010
●	39	19	Q4. Agree/ disagree - [Disagree Summary Table]	Base: All respondents	1010
●	41	20	Q4. Agree/ disagree - [Mean Summary Table]	Base: All respondents	1010
●	43	21	Q5. Do you ever use wood as fuel in your home, either on its own or with other fuels?	Base: All respondents	1010
	45	22	Q6. Do you get the wood by the truck load or a few bags at a time, or gather it yourself?	Base: All who use wood as fuel in their home	84
	47	23	Q7. Do you use wood as a fuel regularly or only occasionally?	Base: All who use wood as fuel in their home	84
	49	24	Q8. Is the wood the main fuel for heating your home, or do you mainly use something else?	Base: All who use wood as fuel in their home	84

	Page	Table	Title	Base Description	Base
●	51	25	Q9. What is the main reason that you do not use wood as a fuel in your home?	Base: All who do not use wood as fuel in their home	926
●	53	26	Q10. How often would you like to visit woodlands and the outdoors in the next 12 months?	Base: All respondents	1010
●	55	27	Q11. In the last few years, have you visited forests or woodlands for walks, picnic or other recreation?	Base: All respondents	1010
●	57	28	Q12. Did you visit woodlands in the countryside or woodlands in and around towns?	Base: All who visited forests/ woodlands in last few years	753
●	59	29	Q13. How would you rate the level the best describes your general health on a scale of 1 to 10?	Base: All who visited forests/ woodlands in last few years	753
●	61	30	Q14. How healthy do you generally feel when spending time outdoors in woodlands?	Base: All who visited forests/ woodlands in last few years	753
●	63	31	Q15. What aspects of health and wellbeing do you feel benefit from visiting woodlands and the outdoors?	Base: All who visited forests/ woodlands in last few years	753
●	65	32	Q16. Would you like to have more or less woodland in your part of Scotland?	Base: All respondents	1010
●	67	33	Q17. Where do you think new woodlands should be created?	Base: All who would like more woodlands to be created in Scotland	607
●	69	34	Q18. Have you and/or your family attended any of the following organised learning activities or events to do with woodlands in the last 12 months?	Base: All respondents	1010

	Page	Table	Title	Base Description	Base
●	71	35	Q19. Agree/ disagree - [Everyone should take action when visiting woodlands to help prevent the spread of damaging tree pests and diseases (e.g. by washing shoes/ boots, bikes etc before and after their visit and by brushing soil & plant material from clothes)]	Base: All respondents	1010
●	73	36	Q19. Agree/ disagree - [There is very little that anyone can do to prevent the spread of damaging tree pests and diseases]	Base: All respondents	1010
●	75	37	Q19. Agree/ disagree - [I would be willing to look out for and report sightings of pests and diseases on trees, if appropriate information and advice was available to me]	Base: All respondents	1010
●	77	38	Q19. Agree/ disagree - [I understand what is meant by biosecurity]	Base: All respondents	1010
