INVITATION TO SEND IN PREQUALIFICATION INFORMATION FOR FORESTRY COMMISSION SCOTLAND (FCS) - SUPPLY OF AMMUNITION CONTRACT

You are hereby invited to provide pre-qualification documentation for the above contract. The pre-qualification questionnaire is attached to this document, along with location details.

You should return the document using the return details provided within the documentation.

If you have any queries on how to complete this document, or you require clarification of any part of the questionnaire please use the contact details provided within this letter. Your completed questionnaire and supporting information must be submitted before on or the 22nd January at 12.00pm.

A panel consisting of up to 3 members will undertake independent evaluation of your return. We will review all sections of the return, paying particular attention to section D – Quality of service. We expect a number of suppliers to register interest in this exercise. The pre-qualification will limit the number of suppliers to a manageable number for a tender exercise and ensure the suppliers we take forward will fit our needs.

Yours sincerely

Mr William Lamont
Date 14/12/2006.
