

# Cut out and keep your very own reindeer mask!

## 1 Get cutting

Ask an adult to help you cut along the dotted line, remember to cut out the eyes!

Glue the mask onto some card to make it stronger. The side of a cereal box would be perfect.

## 2 Get searching

**You'll need to find:**

Two twigs that look like antlers for its head.

One long stick to attach your finished mask to at the bottom.

## 3 Get sticking

Stick your two antlers to the top of the mask with tape.

Finally, attach your long stick to the bottom of your mask.
