• **EMPLOYMENT (at this site)**

Please provide an estimate of the sawmill's total employment, expressed as Full Time Equivalents (FTEs).

Include both direct employees (those for whom you are responsible for paying wages and National Insurance contributions) and other employment (any others undertaking work for you, including contractors and their employees). To express employment as FTEs, please include a rough estimate of time for those who work a part-year for the sawmill. For example, count a full-time employee working slightly more than half the time for the sawmill as 0.6, or an employee who works part-time for 4 months as 0.2.

For haulage employment, please only include those employed directly. Please exclude any contract haulage employment and any employment at the site not directly related to the mill (e.g. exclude work producing pallets or other wood products from sawnwood).
