SEESOIL Spring Meeting, 2008 **Soil quality issues in land regeneration to woodland**

10.00 am – 4.00 pm
5th June 2008

London (for meeting location see details below)

£12 members (includes BSSS members) / £15 non members*
(£4 discount for students) – Includes lunch

The 2008 SEESOIL spring meeting will take place in London. The meeting's theme will be discussing soil quality issues in the process of land regeneration to greenspace. Three sites will be visited: Thamesmead, Jeskyns Community Woodland and Ingrebourne Hill, all presenting different issues of soil quality, different regeneration schemes and in different stages of the regeneration process. The meeting will be lead by researchers from the Land Regeneration and Urban Greening Group of Forest Research, Alice Holt, who are carrying research and survey work at these sites.

If you would like to attend please complete the slip below and return to the Secretary. The closing date for registration is 23th May 2008.

Please pass these details on to non SEESOIL colleagues who may be interested
