

## Using Social Research in Planning and Management

You are invited to attend an educational seminar designed to support those who need to gather and use research information about people and their relations with forests and woodlands.

The event will explore the need for good quality social research and discuss the specification, design, gathering and evaluation of high quality social research in cost effective ways. Participants will also be given guidance towards further sources of support and information on social research.

The seminar will take place in **The Central Boardroom, Silvan House** on **16<sup>th</sup> February 2005**. Registration will be from 0900 - 0930hrs, and the event will close at 1600hrs.

Tutors will be **Dr David Edwards, Dr Suzanne Martin and Dr Liz O'Brien (Forest Research): Duncan Stewart (Consultant, TNS Global): Sheila Ward (FC Economics & Statistics)**. The event will be facilitated by Marcus Sangster and Richard Price, with keynote address by **Dr Bob McIntosh**

The event is sponsored by the **Forestry Commission (Corporate & Forestry Support)** and no charge will be made to delegates.

To request more information, or to register your interest in attending, please contact:
