Community/Conservation-North Nottinghamshire***

Country	England
Location	Sherwood Pines, Notts
Position Type	1-3 days per week for 6 months
Salary	Voluntary
Closing date for applications	16 th October 2016

Background Information

The Forestry Commission work in partnership with Nottinghamshire County Council to be able to provide placements for individuals with an interest in pursuing a career in conservation, community engagement, recreation, site management, working with volunteers and the public and wanting to gain experience in the sector. Successful applicants will be given training and development opportunities by work shadowing current countryside staff.

They will shadow and develop on the job skills and experience including practical site management (habitat creation and restoration), working with communities (project development and implementation), engaging and working with the public, schools and colleges. The Nottinghamshire conservation placement enables individuals to gain experience of managing our recently restored Community Woodlands and our surrounding mature woodlands.

Unfortunately at the present time we **cannot** offer travel expenses however we do provide extensive experience and some formal training opportunities.

Purpose of the Apprenticeship

Experience, encourage and support active community and volunteer involvement on countryside sites within the North Nottinghamshire area; through community practical projects, engagement and management of community interest groups and public expectation. Learn how to involve local people in the decision making and management of their local environment.

Working as part of the Community Ranger team assist, support and help empower local communities to become actively involved in the care and management of urban fringe woodlands & countryside sites in North Nottinghamshire. Assist and provide support to a diverse range of people, experiencing the range of tasks, activities and procedures that rangers undertake within their role.
