Your safety

Mountain biking is potentially hazardous carrying a significant risk. It should only be undertaken in conjunction with the common sense of your own experience, intuition and careful judgement.

Routes may change owing to tree felling and other forest operations

No motorbikes, quadbikes, dogs or horses are allowed on the MTB trails

Mega-Trail expert line

Grading information

Start small and work your way up...

Are the trails in the Bike Park for you? if in doubt, please practice on the easier routes first and build up your skills. Look for the warning symbols below. These appear where features require extra caution and those with extreme risk

Code of Conduct

- Before riding the trails - check out the jumps.
- Look before you leap.
- Be courteous and respect others.
- If in doubt stay out.
- Wear a helmet and gloves, body armour strongly recommended.
- Ensure your bike is in good working order and suitable for Jump trails. Lower your seat for better control.
- Always ride within your control and ability on the ground and off and never jump blindly.
- Respect other riders - look out for them and give them plenty of space. Riders ahead of you have right of way.
- Please session and practise sections, but do not walk, ride or push your bikes back up the actual trails - use the push up paths.
- Spot a fault on the trails? Please let us know
T: 01889 586593, West Midlands office or via www.chasetrails.co.uk.
- Take your litter home - help keep the Park and forest looking sweet.

Safety information

Trail Grading

Easier trail

 Smaller drops, mostly rollable or with rollable options.

Intermediate trail

 More frequent or bigger drops, rooty off camber sections and blind corners

Advanced trail

 Big drops, big features, advanced skills required to clear the trail

Extreme feature

Caution required
