

# Guide to the Completing the Successor's Application Form

Version 4/March 2015

## Purpose

This form should be used for all Forestry Commission grant schemes in England.

This Successor Form should be completed by the new occupier where there is a change of ownership or occupancy on land which has an existing Forestry Commission grant scheme. Depending on the type of grant scheme and the particular circumstances, the form should be completed if you wish to receive future grant payments and/or are willing to continue necessary work to fulfil the conditions of the scheme. For further advice on change of ownership please refer to Operations Note 14 and the specific guidance relevant to your scheme, which is available on the Forestry Commission website or from your local Forestry Commission office. Your local Woodland Officer will also provide guidance on the options available to you.

For the purposes of this guidance, references to 'ownership/owner' should also be taken to include 'occupancy/occupier'.

## General details

Please tick the type of grant scheme that you are succeeding. You can tick more than one box, for example if you are taking on a Woodland Grant Scheme with associated Farm Woodland Premium Scheme payments.

### Question 2 - Scheme reference number

You should enter the reference(s) of the grant scheme(s) that you are taking on.

### Question 3 - Property name

Please insert the generally recognised name of the property, e.g., Elmsworth Estate or Oak Tree Farm.

### Question 4 - New Main Applicant's details

The Main Applicant is the individual or organisation who has responsibility to take on the grant scheme. This may be a 'sole occupier' or the lead partner in a formal Partnership or Trust, or the representative of a Company.

*Are you the main contact? Yes/No:* As the Main Applicant you may wish to deal with all aspects of your application directly; alternatively you may wish a partner, another representative or a professional agent to act on your behalf in making this application. Please use these boxes and those in questions 5 and 6 to indicate to whom we should address correspondence.

*Address, telephone numbers and E-mail:* Please provide full contact details including postcode. If you provide an email address we will normally use this as the primary means of communication.

*Income from farming:* Do you receive more than 25% of your income from farming? Yes/No: If the grant scheme you are taking on (a) involves EWGS Farm Woodland Payments (b) the original agreement was approved after 1st January 2007 and (c) you do not receive more than 25% of your income from farming, then your Farm Woodland Payments will be capped at €150 per hectare per year.
