

## **The Big Tree Plant Funding Scheme Funding Agreement – Terms and Conditions**

### **General**

1. The conditions set out below apply to all offers of grant made by Groundwork London through The Big Tree Plant Funding Scheme (TBTP) in relation to the application form and its guidance notes.
2. The offer is made on the condition that no payment will be made for works completed before the grant offer has been confirmed in writing, unless otherwise agreed.
3. All projects should conform to the plans, conditions and specifications agreed by the grants panel.
4. The applicant shall ensure that works and activities conform to any relevant statutory obligations, planning consents, restoration plans, conservation plans, biodiversity designations, Construction Design and Management regulations, environmental protection regulations and all other relevant obligations
5. If the applicant is not the owner of the land in which the proposed trees will be planted, a letter of agreement to the work proposed must be provided prior to agreement of TBTP funding. This agreement must be from the legal owner of the land. We will not pay grant without evidence of landowner consent.
6. In carrying out the project the applicant is acting as principal and not as an agent to Groundwork London.

### **Appointment of Contractors**

1. If you need to appoint contractors to help with your project, Groundwork London will normally require applicants to obtain written quotes from three contractors for works over £5,000.
2. For works over £10,000 contractors should be appointed through competitive tender, complying with all relevant legislation. If you need advice on this, please contact Groundwork London.

### **Project Claims and Monitoring**

1. We will agree a claims schedule for your project. Claims must be made on the Monitoring and Claim Form provided by Groundwork London.
2. The applicant is responsible for managing the quality and costs of the project and for informing the TBTP of any changes including:-
  - Changes to the timescale specified in the grant application;
  - Changes to the total cost of the project set out in the application;
  - Changes to the project funding, including funding from other bodies.
3. Substantial changes to the project must be agreed in advance writing with Groundwork London and may result in the offer being revised.
4. The applicant must provide monitoring information and evidence of project progress and completion in the form provided and sent to Groundwork London by the set date. This monitoring will include items such as costs against budget, photographs, numbers and locations of trees planted, numbers of volunteers involved in events.
5. Claims must detail the in-kind support and match funding actually realised by the project. You will need to include evidence of all expenditure with your claim e.g. receipts clearly relating to the expenditure.
6. The payment of grant may be delayed if Monitoring and Claim forms have not been received by the set date.
7. Any person authorised by Groundwork London or the Forestry Commission shall be entitled to inspect the project and any records or accounts relating to them at any reasonable time.

### **Maintenance of Works**

1. Unless otherwise agreed with Groundwork London, the applicant will be responsible for maintaining or making arrangements for maintenance and or replacements to a satisfactory standard for a minimum period of three years.
2. Tree maintenance and aftercare shall be in accordance with the attached Tree Care Guide.

### **Right of inspection**

1. The applicant must let the Forestry Commission or its appointed agent inspect the planted trees at any time for five years after the end of your project to check the trees are still providing the benefits envisaged.

### **Publicity**

1. Groundwork London and the Forestry Commission on behalf of the TBTP reserve the right to publicise projects receiving grant assistance in any future promotions.
2. The applicant must ensure that the TBTP is acknowledged in any publicity relating to the project.

### **Payment**

1. The offer letter sets the documentation required before a grant can be paid. Once a properly completed and certified claim has been received, payment will normally be made within 28 days.
2. All financial and contractual arrangements are made between Groundwork London and the applicant.
3. If your claim is incomplete you will be informed within 10 working days.
4. Grants will be paid by Automated transfer (BACS). You must include bank details of the account to receive the grant when you claim.
5. Recoverable VAT is not eligible for funding. Groundwork London is not responsible for any unpaid VAT.

### **Insurance**

1. Applicants must ensure that all necessary insurance cover is in place. Groundwork London is not responsible for liabilities incurred by the applicant.

### **When Grants May Not Be Paid**

1. When the applicant fails to complete the project or conform to the conditions of the grant.
2. When the applicant ceases to operate or is declared bankrupt or placed into receivership or liquidation.
3. If the application was completed fraudulently, incorrectly or was intentionally misleading.
4. If the applicant has acted fraudulently or negligently in any aspect of the project.
5. After 31 March 2015.

### **Indemnity Clause**

1. The applicant shall indemnify Groundwork London and the Forestry Commission against any claims arising out of the exercise of this agreement.
