

Tree explorer challenge 1

Find the rough location marked on the map, use the directions to find the right spot and solve the cryptic clue to find the tree.

Look out for more tree explorer challenges - there will be a different each month. Good luck!

Directions

1. Walk through Down Gate, along Mitchell Drive and turn left into Main Drive.
2. Walk along Main Drive, go past a turning on your right and just before the bend you will see a Scots pine tree on your right - number 16.0036.
3. From the Scots pine take ten paces away from the path. Now look for your mystery tree.

Cryptic clue

Eight legged sea fruit

.....
