

Discovery Challenge

Make up an adventure story or poem about your den. Save your den from danger. Who might attack? Are there dragons? Can you make the den dragon-proof? Is there a magic tree in the garden?

Make a home or den out of sticks and leaves for a small toy, woodland animal or even a mini wizard or fairy!

Make it safe and warm – don't forget beds, food, a garden and any other mod cons!

Look for a minibeast near your mini den - they like hiding in leaves and flowers and around rotting wood.

Make an obstacle course for your wizard or beastie - a balance beam, a slide, or even a see saw!
