

Woodland Workout

January - March 2015

Join a friendly team of volunteers to do a range of practical conservation and woodland management tasks while learning new skills, improving your health and wellbeing and making new friends.

Woodland Workout sessions take place in different woodlands and parks throughout South Yorkshire; they are run by the Forestry Commission and Doncaster Metropolitan Borough Council.

Booking: Rangers need to know how many people will be attending each Woodland Workout session so that they can bring sufficient tools and equipment. If you are a new volunteer please let the relevant Ranger know you are coming. If you are a regular volunteer please let the ranger know if you are unable to make a session. Thank you

Clothing: Please wear sturdy footwear and clothing appropriate for the time of year and weather.

Tetanus: Please ensure that your tetanus inoculation is up to date.

Children: Under 16's accompanied by a guardian are welcome.

Refreshments: We provide tea, coffee and biscuits for a sociable break half way through each session.

Sites and Tasks

Site	Meeting point	Tasks	Ranger	Contact
