

Find a golden bauble and win a Christmas tree

Did you know that this year is the 500-year anniversary of the first decorated Christmas tree?

In the year 1510, men from the local merchants' guild in Riga, Latvia, decorated a tree with artificial roses.

To celebrate, **we have decorated five trees somewhere in the forest.** If you're the first to find a tree and collect the Forestry Commission bauble, you will win a free Christmas tree.*

Good luck and happy searching!

*prize limited to one Christmas tree (up to 6ft) per bauble.
