

Delamere Forest Park **Post 16 Programme**

We can design activities to suit your needs at post 16 level. A 3 hour session is charged at £100 for 30 students. Please contact us with your requirements. Here is an example of a session that we have run in the past.

To book a visit, please download the booking form from the education pages of the website: <http://www.forestry.gov.uk/forestry/infd-7cmhaq> or contact the education assistant on 01606 882 167 (option 9) or email joanne.holland@forestry.gsi.gov.uk

Silvicultural practices at Delamere- changing operations for a changing forest.

This half-day workshop led by one of the foresters, looks at the changing use of the Forest as a result of falling timber prices, plant health issues and increased pressure for recreation spaces. Students will have the opportunity to see design plans for the forest, find out about our newlands and community forests in the north-west and learn about forestry methods.

Time: 3 Hours

Cost: £100 max 30 students

When: Year Round.

The information centre and Delamere cafe are open all year round. For details of opening please ring the information centre on 01606 889792. Please inform us upon booking if you wish to use the cafe when you visit.
