

Delamere Forest Park Post 16 Programme

We can design activities to suit your needs at post 16 level. A 3 hour session is charged at £170 for 30 students. Please contact us with your requirements. Here is an example of a session that we have run in the past.

To book a visit, please download the booking form from the education pages of the website: <http://www.forestry.gov.uk/forestry/infd-7cmhaq> or contact the education assistant on 01606 882 167 (option 9) or email joanne.holland@forestry.gsi.gov.uk

Silvicultural practices at Delamere- changing operations for a changing forest.

This half-day workshop led by one of the foresters, looks at the changing use of the Forest as a result of falling timber prices, plant health issues and increased pressure for recreation spaces. Students will have the opportunity to see design plans for the forest, find out about our newlands and community forests in the north-west and learn about forestry methods.

Time: 3 Hours

Cost: £170 max 30 students

When: Year Round.
