£

Payment details (please indicate the method in which you wish to pay)

* Please find enclosed a cheque, payable to the Forestry Commission

* Please invoice the school

Cancellations after booking confirmation may be subject to 50% cancellation fee

Guidelines for a safe and enjoyable visit

The Group Leader's Responsibilities

To ensure a safe visit, the group leader will be expected to take an active part in the visit and will be entirely responsible for discipline, safety and overall control of the group. Group leaders should try to arrange a preliminary visit with Forestry Commission staff to discuss the programmes; the group's needs and assess the site conditions.

The group leader must carry out the necessary risk assessments for the visit and the journey to and from the forest or other site. All parental or guardian consents and permissions should be obtained by the group leader before the visit.

For school groups the Local Education Authority should lay down the maximum ratio of students to supervisors. It is the group leader's responsibility to ensure that students are wearing appropriate footwear and clothing for the conditions. Weather conditions can change rapidly and forest sites are often muddy - advice should be sought if in doubt.

The forest is a working environment. The group leader will ensure warning signs and instructions from Forestry Commission staff are heeded, areas where work is in progress are avoided and the group is kept together. In the case of an accident, the group leader and visiting staff will be on hand to give any information about special requirements. The group leader will be responsible for ensuring that at least one supervisor has a basic knowledge of First Aid. Accidents, whether requiring treatment or not must be reported to FC staff.

The school or other group, through the LEA or insurance, as appropriate, will indemnify the Forestry Commission against all claims arising from any loss or damage, or injury or death to participants and any third parties arising from the educational visit, and will during the period of the visit maintain an insurance policy with a reputable insurance company an amount of not less than £5 million in respect of any one claim. The amount of such insurance shall not limit the liability of the school or LEA to the Forestry Commission.

The group leader is responsible for ensuring all litter is taken away with the group and that no damage is caused to the environment or site facilities.

Additional permits may be required for specialist activities or field studies - contact the Ranger staff for advice.

Forestry Commission Staff Responsibilities

During a visit led by Forestry Commission staff, the staff member will co-ordinate the activities of the group and will advise the group of any particular known hazards that may apply on the day of the visit.

Most Forestry Commission staff are First Aid trained and have kits at their disposal, although the prime responsibility for rendering First Aid remains with the group leader.

Forestry Commission staff have the discretion to exclude from the visit anyone who is not properly equipped or fails to comply with other conditions listed above.

Pre-visit and site details

During your pre-visit check or contact with the Ranger, please check the location or availability of the following:

Contact Name		Accident+Emergency reporting Procedures	
Parking		Rendezvous point	
Toilets		Telephone	
First Aid		Refreshments	

General

- Please have your group ready at the agreed start time. If your group is running late contact the Ranger or the office - we can wait if we know you are running late.
- Payment is to be made in advance by cheque when your booking form is returned. Cheques are to be made payable to the Forestry Commission and returned with this form.
- If you wish to cancel the event please let us know a minimum of 2 weeks before the visit is due. We reserve the right to still charge you for the booking if you cancel after this time.
- Some forest roads have width restrictions - access details should be discussed with the Forestry Commission and / or your coach operator.
- Most guided walks are inappropriate for dogs - please check with the Ranger.

What to bring

- Suitable outdoor clothing to include warm waterproof coat with hood and footwear with non-slip soles. Everyone is advised to wear trousers, even in hot weather, shorts and sandals are not recommended because of brambles and ticks in the forest. A hat, scarf, gloves, thick socks, wellingtons or sturdy boots in winter are essential.
- Packed lunch and drink (on sites with café franchises please use picnic benches or classroom rather than café seating).
- A list of students for your own use. It is very helpful if working groups can be allocated before arrival.
- We have basic field equipment but please bring your own digital equipment if required.

All visits

Do you want to book the education room? time _____
Is your group likely to purchase lunch from the café? time _____
Would your group like to use the shop? Yes No

I wish to apply to visit for the above event. I confirm I have read and understood the notes overleaf and will ensure that the group complies with the conditions outlined.

All leaders, teachers, and parent helpers & group members will be informed of the above.
