## Cycle Skills Area Design and Build

The Forestry Commission wishes to appoint a suitably experienced company to design and build a purpose-built Cycle Skills Area at Haldon Forest Park, near Exeter.

### **The skills area needs to meet the following aims:**

- Provide an area where people can experience graded trail features they may encounter at Haldon Forest Park (including berms, step downs, rock gardens, small table tops, doubles and possibly including an element of north shore)
- Provide a space which can be utilised during coaching sessions
- Require low levels of maintenance and management
- Low impact both physically and visually
- Be appropriate for beginner through to enthusiast
