

Restoring and expanding open habitats from woods and forests in England: consultation meetings and events.

What is this about?

This document sets out the meetings and events we in the Forestry Commission have planned to promote the quality, range, and volume of responses to the consultation on Government policy on restoring and expanding open habitats from woods and forests in England. For the consultation see www.forestry.gov.uk/england-openhabitats-consultation or contact Dominic Driver (contact details below).

Events.

North West Landscape Conference, Natural England.

Thursday 26th March, Wigan. **Event full – sorry no further places available.** Public event on landscape with open habitats policy part of the agenda. Contact clare.mumford@naturalengland.org.uk for further information.
