<b>1999 to 2008 Percentage Change</b>													
	White	32	30	21									
	Ethnic minorities	134	54	50									
	All People	34	30	22									

Produced by Policy & Programme Group, Forestry Commission England, 2 March 2009

PFE 2008 is area of land managed in England by Forestry Commission England as at year end March 2008

PFE 1999 is area of land owned by Forestry Commission England as at April 1999.

The 1999 area includes some land owned in Wales & Scotland that have marginal if any effects on these particular figures.

Produced from Census 2001 variable Ethnicity UV09 at Output Area level. Figures are approximated based on 'best-fits' of Output Areas to Catchment Areas

Output Areas determined to be included in the 500m, 4km and 10km catchment areas, and England as a whole, if they have their population weighted centre within the respective area.

Produced with PFE\_Ethnic\_Group\_1.mxd
