

Nest building

You will need:

- Flexible twigs such as willow, dogwood, evergreen material
- Raffia or wool
- Skeleton leaves, leaves or moss
- Rags

Instructions

1. Make a circle or oval shape with the willow, dogwood or greenery.
2. Tie or bind with raffia or wool.
3. Use raffia to wrap a little more greenery or rags onto the ring to build up the sides of the nest.
4. Use raffia to create the base of the nest by criss-crossing several times.
5. Put leaves or skeleton leaves in the bottom of the nest to complete the base.
6. Why not make some miniature eggs to put in your nest!
